

Dear Mrs Grandy.  
You never let me know  
what you could use in  
the plant line, so am  
sending some rose

bushes. Hope  
You will be  
able to use  
them.  
Yours very truly  
C. M.  
Best wishes to  
everyone

Dear Mrs Grandy

Your most delicious and welcome  
Christmas Box, arrived safely, and believe  
me, before the day was over, the con-  
tents had disappeared alarmingly.

You used to complain of my poor appet-  
ite, but O! You should have seen  
the ruin it left, of the Products of  
the De Grandy Ranch.

Your kindness, in going to all this trou-  
ble, for my sake; makes me feel  
just like I used to, when at Glen  
Ranch, you would insist on pouring  
all the tea and coffee I could

brew, and drink (a goodly number of gallons), except  
for the few occasions, when I made a mad  
dash, and secured the tea or coffee pot  
myself. I certainly will let Mother share  
some of your wonderful oranges; they are  
the nicest I have seen or tasted for a  
long time.

Now since you have been so kind to me,  
am going to insist, that you keep your  
promise, and allow me to send some  
of the products of our Ranch, to you. I am  
mailing a list and should you find anything  
in it, you care to have, make a list of  
it, and I will be only too glad, to forward  
whatever you wish.

Heard from a friend, that you have been  
having a great deal of rain in Calif; so  
far we have had practically none, and I  
don't want to see any, as it delays our work,  
and of course this is our busy time.

I am alone on the Ranch, my brother Guy  
having moved into town, to help with the  
sales; so I have plenty of work to do,  
but then I like it. Please write and

let me know, how everybody & every-  
thing, is getting along at Arcadia and  
roundabout. Give my very best  
regards, to all the good Friends.  
Should you see them, and  
particularly, to the best and  
kindest of all, a certain Mrs E.  
Grandy, who is kind to everyone,  
but herself.

very truly

Carl M.

P.S. Products nearly all gone. c.
